## Lake Champlain Maritime Museum

### Field Trip

Date: Friday June 17th 8:00AM-2:00PM

Where: Lake Champlain Maritime Museum, Vergennes, VT

Cost: \$5 per student and chaperone

**Permission slip and money (cash or checks made out to BRMS) due before Friday, June 10th**

Our has been researching the stories that we make from artifacts and the study of Lake Champlain's history. This trip will be a study of "Digging, Diving and Documenting" put together by the Lake Champlain Maritime Museum. We went on this trip last year and found it enjoyable and informative.

We will be mostly outdoors, but in the shade. Dress for the weather and bring a water bottle and a bag lunch.

Please sign the permission slip below and indicate whether or not you would like to chaperone. Parent chaperones would need to be at school by 8:00AM, which is when the bus leaves. Thanks for your support.
